

The Gantt chart displays the project timeline across six months (Jan to Jun 2015) with the following key features:

- Timeline:** The x-axis shows dates from Jan 01 to Jun 30, 2015.
- Tasks:** 58 tasks are listed in the left column, each with a duration and start/end dates. Many tasks have arrows indicating dependencies.
- Dependencies:** Arrows connect tasks to show their sequence and dependencies. For example, Task 1 (Conception report first draft) starts on Jan 02 and depends on Task 0 (not explicitly listed).
- Resource Allocation:** Some tasks are grouped under "Groupe" (Group), indicated by a blue icon.
- Key Dates:** Specific dates like "02/02", "12/02", "25/03", "02/04", "21/05", and "26/05" are highlighted with vertical arrows and labels.
